

Using the Motor Gizmo with Playground for Crumble

Requirements:

- Playground for Crumble with Crumble attached and batteries installed
- Motor Gizmo
- 1 x Connection cable

Connections:

1. Switch Playground OFF
2. Plug connection cable from Motor 1 on Playground an into the Motor Gizmo
3. Switch Playground ON

Simple Software Demo:

This software will rotate the motor forwards at 75%, then stop, then reverse, then stop and repeat

```
program start
do forever
  motor 1 FORWARD at 75 %
  wait 1 seconds
  motor 1 STOP
  wait 1 seconds
  motor 1 REVERSE at 75 %
  wait 1 seconds
  motor 1 STOP
  wait 1 seconds
loop
```
